COMMUNITY UPDATE

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work. We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in the area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local Neighbourhood Policing Team.

targeted on this occasion were, Wragby, Hemingby, Baumber, Thimbleby, West Ashby, New York, Woodhall Spa, East Keal, West Keal, Coningsby and Sibsey.

Our local communities asked for speeding to be one of our local priorities this quarter and we will continue to target these offences and strive to make Lincolnshire the safest place to live, work and visit.

Multi agency resident's engagement

On 30/06/22 there was a multi-agency walk about in Centurion Park, Horncastle. Local Neighbourhood Policing were joined by the Platform Housing Officer and their maintenance team. Also present was a local Town and County Councillor and a representative from Highways. The event was organised to give local resident's the opportunity to raise any issues or concerns and was well received.

Roads Policing

On 14/06/22 two vehicles were seized in the Horncastle area by officers from the Roads Policing Unit. The drivers were reported for driving with no insurance and other traffic offences. By using automatic number plate recognition (ANPR) technology one of the vehicles seized was identified to have been displaying cloned number plates. We will continue to use technology to

make the roads of Lincolnshire safe and ensure that there is no where for people using vehicles unlawfully to go.

Vehicle nuisance

On the evening of 20/06/22 whilst on patrol in the Sausthorpe area a vehicle was observed by Police being used in an antisocial manner. The driver was reported for traffic offences and issued a formal warning under section 59 of the Police reform Act. This means that if the vehicle is used in a manner likely to cause alarm, distress or annoyance to members of the public again within the next 12 months the vehicle will be seized.

Driving offences

During routine patrols on 27/06/22 a vehicle was stopped by officers due to the manner of their driving. The driver was reported for traffic offences and the vehicle was seized.

In August 2021 PCSO Jad was performing speed enforcement in Woodhall Spa. Whilst he was in the process of giving words of advice to a driver in a stationary vehicle about a separate matter the driver became verbally aggressive and deliberately struck PCSO Jad with his vehicle as he fled. PCSO Jad did not require medical attention. The driver was later arrested. On 01/07/22 the driver attended Boston Magistrates Court, pleading guilty to assaulting an emergency worker and failing to stop. The Court awarded the driver 3 points on his driving licence and ordered him to pay £621 in fines.

Indecent exposure

On 25/06/22 police received a report of a male who had exposed himself to a group of youths in Wragby. A media appeal has identified a suspect who has been arrested and released on conditional bail whilst our enquiries continue.

Fuller details of the crime are obtained, with further safeguarding measures put in place. These could include; a telephone call blocker, 'No Cold Calling' signs, scam awareness packs, alert relative/friends
