

NHW Report March 2023

Our villagers continue to remain alert and vigilant.

A number of properties have had CCTV cameras , security lights and ring door bells fitted since the shed break - ins in our village in January.

Dog Fouling.

There have been a number of reports of dog fouling and owners not picking up after their dogs .

This is taking place on grass verges , the castle ,the short cut across the field opposite Hagnaby Road ,the route yard , the field adjoining the hard standing on Hareby Lane and the top at Hareby Hill .

It's a criminal offence not to do this .

Also it's an offence not to be carrying either a bag or a pooper scoop to enable you to clear up when out walking your dog.

These owners could face a heavy fine.

The ELDC Environmental Officers have been contacted.
