

NHW Report For Old Bolingbroke. 16/5/2016.

Criminal activity in our village and surrounding areas since our last Parish Council Meeting.

Our PCSO has been to our village to carry out speed checks with a speed gun after members of our village showed concern over vehicles driving too fast in and through our village.
Our PCSO will continue to carry out random checks.
I contacted our Parish Council and suggested a Speed Watch Scheme with volunteers from our village

Surrounding Areas.

Farm break in at High Barn Winceby where a Massey Ferguson Buggy was stolen.

A Red Honda Quad bike stolen from farm building in Horsingham.

Property in Hagworthingham where persons gained entry while owners were away.

Reports of fuel theft in surrounding areas.

Persons acting suspiciously in Church Road Old Bolingbroke looking at properties.

Theft of tools from vehicles in surrounding areas

Property in Lusby broken into where persons crossed fields to gain entrance in to the property from back garden.
Please remain vigilant and report any suspicious activity or any vehicles parked in locations not normally seen in.

Boston Police are asking visitors to be aware when visiting or shopping in Boston as there have been a spate of thefts from purses and bags.

Purse stolen from Tesco's Horncastle.

White van with Rogue Traders travelling around Lincolnshire offering to sell mattresses to the public.

Rogue Traders offering to tarmac driveways and clean guttering for a low price.

Rogue Traders knocking on doors asking if you have any gold ,silver or watches offering cash for gold.

Please remember we are a No Cold Calling Village .
Use Reputable Traders not people Cold Calling at your door.
This scheme was set up to protect our village from Rogue Traders and unscrupulous people.

Please remain vigilant at all times and if you see anything suspicious please ring Lincolnshire Police on 101 straight away.
It's important to obtain as much information as possible to give to the Police.

Any problems regarding NHW please

Linda Creedy NHW Co- Ordinator.
