

## **31/5/2018 NHW Report Old Bolingbroke**

It's been a busy year in Old Bolingbroke and surrounding area's for Criminal Activities. My report tonight are of the last couple of months in our village and surrounding areas.

### **Burglary**

**25/5/2018** Last week The Spilsby Policing Area suffered a couple of burglaries. One was a failed attempted burglary around the Wolds Area; where unknown persons failed under the cover of darkness to gain entry to a secure garage.

The other one was in Spilsby where unknown persons overnight gained entry and removed property via an insecure front room window whilst the occupants were at home.

**16/4/2018** The Police would please like to remind everyone to remain vigilant as we are suffering burglaries either side of the A16 once again. Items taken in separate incidents are 2 Angle Grinders, Test Equipment for a Steam Engine, Old Ride-On Mower, Red Diesel, Electric Hedge Trimmer, Screw Driver Set, Welding Leads and Hand Tools. Also 300 Litres of Heating Oil from a tank.

**Please be vigilant in securing your property to make it difficult as possible for unwanted persons to gain entry.**

### **Suspicious Vehicles in and around our surrounding areas**

**22/05/18** Scruffy White Van with roof ladders in Old Bolingbroke.

**20/05/18** in Hundleby a Silver Car - Derived Van.

**18/05/18** (evening) in Toynton All Saints a White Ford Truck. A White Pick Up travelling slowly through our village looking at properties along the way.

**If anyone sees any suspicious vehicles please ring Lincolnshire Police on 101 straight away with the vehicle description and registration number. This will give the police a chance to come out straight away to check the vehicle and occupants.**

**24/04/18** A Quad Bike stolen from Mavis Enderby.

**24/04/2018** Old Bolingbroke. A White Fiat Van Registration NX06 LRL with two men wearing white clothing selling fish door to door in our village.

I rang it in on a 101 and the Police were out within minutes to speak to these two men.

### **Rogue Traders**

**24/04/2018** Three men from the Durham Area were arrested in Ewerby near Sleaford after calling at our village and other area's in connection with selling fish door to door. These men were very persistent and had their own chip and pin machine. They were charging people £300 for fish. As far as I'm aware there was no connection with the two fish sellers.

### **Can you please all remember we are a No Cold Calling Village.**

Please do not buy from anyone selling at your door. This scheme was set up to protect our village from Rogue Traders and any unscrupulous persons.

### **Suspicious Circumstances Old Bolingbroke**

**25/04/2018** At 12.50am someone tried to open the front door of a property on Hagnaby Road.

**24/04/2018** A Gents bike was stolen from the back garden of a property on Hagnaby Road.

**18/04/2018** Four Rose Plants were stolen from a wooden wheelbarrow outside a house in Church Road.

**18/04/2018** An attempted house break in into a property near the bottom of Spilsby Hill between Old Bolingbroke and Mavis Enderby.

**05/04/2018** Door step sellers becoming abusive due to drinking alcohol whilst being in our village. Police came out and removed them.

### **Concern For Safety**

**02/04/2018** Flood waters moving into gardens and properties.

**02/04/2018** Police Advice about dogs in hot weather. Please remember dogs can die in a hot car. It's never safe to leave your dogs locked in a car even with your windows down or in the shade. If it's too hot for you then it's too hot and unbearable for them. Also you run the risk of having your dog stolen.

**Please make sure your house, sheds and garages are shut and kept locked even if you are working in the garden.**

Do not leave any garden machinery unattended whilst you go in doors for a cup of tea they might not be there on your return.

**Please remain vigilant and if you see anything suspicious please ring Lincolnshire Police on 101 straight away.**
