Dog Fouling.

We have had a visit to Old Bolingbroke from the ELDC Dog Warden. She has put up three No Dog Fouling notices in our village.

The worst areas are
The Village Hall Field.
The Route Yard
Hareby Lane
Back Lane.
On The Castle.

If you are walking or running your dogs in the fields or lanes it's an offence not to pick up after your dogs.

Whilst on the subjects of dogs can you please be aware that in the last few days there have been attempts made to steal dogs.
The Police are aware of these incidents.

Two men in Tattershall tried to snatch a dog from its owner when she was out walking.

A man tried to steal a dog from a garden in Eastgate Louth. It was only because the dog did not have a collar on that the man could not drag it through the gate.

A dog was stolen from Louth on Tuesday.
I am pleased to say the dog has now been recovered.
Please be extra vigilant when walking, running or leaving your dogs unsupervised in your garden.

In May our PCSO Phil Pollard will be retiring from the Police Force .
We will be having a new PCSO for our village.
Phil has worked very hard in our village especially with ASB and other crimes for many years. This has been much appreciated.

I will now be posting NHW incidents on our Village Facebook.
For all the villagers not on it I will do my usual ring around to let them know of any incidents.

We have had a lot of Criminal Activity in our village and surrounding areas.
Please be extra vigilant and if you see anything suspicious please ring Lincolnshire Police on 101.
Let us try to keep Old Bolingbroke a safe place to live.
